

Dih Shin International, Inc.

### Features:

- Wireless input with built-in Infra-Red technology
- Built-in trackball
- Compact size with full function of 104 keys layout
- Convenient and space saving

### Main Part Number:

- KB-ACK-573  
Ivory, PS/2 interface
- KB-ACK-573B  
Black, PS/2 interface
- KB-ACK-573UB  
Black, USB interface

### Receiver Technical Data

- 88 keys with embedded numeric keypad
- 338 \* 167.4 \* 28mm / 13.31" \* 6.57" \* 1.10"
- 720g / 1.59bs
- 5 million key switch life
- Trackball resolution: 200DPI

### Receiver Technical Data

- Frequency: 38Khz
- Effective angle: within 45°
- Distance: 7M / 275.59"

### Other Technical Data:

- **Operating Temperature**  
0°C to +40°C / 32°F to 104°F
- **Storage Temperature**  
-10°C to +60°C / 14°F to 140°F
- **Operating Humidity**  
10% to 85% RH
- **Warranty**  
1 year
- **Agency Approvals**
